BOOK REPORT NO. 1 - Q & A / VIKAS SWARUP

The book I chose is Q&A the book is about Ream Mohamad Thomas a 17 year old orphan how lives in the streets of Mumbai that went to a new TV show called: "HOW WANTS TO BE A BILIONARE" and won!

His wining is bad news for the producers how can't believe he won and they can't afford billion rupees

So they trying to blame him in cheating the police help them and they torcher him until he will "confess"

They torcher him for hours until one masteries lawyer come and help him she ask him if he isn't going to lie to her Ream agrees and together they watch every question and Ream explain how he knew the answer to every question in the process Ream show his life story and he managed to survive

The book was wonderful it had a great story line that jumps between different times.

Also the actual story is very interesting I sat for hours reading the book and I'm pretty sure everyone will enjoy it Also the characters are very compelling and I felt after I read the book that I knew everything about them

For conclusion the book Q&A is a great book and I highly recommend it
